We Do Parties

Deerhoof

Thus spake the Jingotron
Thus spake the Jungletron
The new old machine
The new love machineI am coming to you
Am coming to you
From a speaker deep insideI am coming to you
Am coming to you
From a speaker deep insideThe autojubilator
Is free of charge
The autojubilator
Is free of charge
Thus spake the Jingotron
Thus spake the Jungletron
The new old machine
The new love machine
