

Too Damn Busy

Petrie

[Intro]

I swear I'm too damn busy to be thinking of you (My love)
And I hope you feel the same, my love
Yeah, I'm too damn busy to be writing about you (My love)
Let me start this song again, my love[Verse 1]
Don't look me in the eyes, you won't get nothing today
Off the record, let's be real, I melt like lemon sorbet (Like sorbet)[Chorus]
I swear I'm too damn busy to be thinking of you
And I hope you feel the same, my love
Yeah, I'm too damn busy to be writing 'bout you
Let me start this song again, my love
Success and good sex
Designer clothing
You look good in the blue dress
Pick up the phone
Know I'm too damn busy to be thinking of you
But I need you just the same, my love, yeah
But I need you
But I need you, you
But I need you just the same, my love
[Verse 2]
Don't look me in the eye
Can't keep pretending today
You should call me when you're free
I make a killer sorbet (A sorbet)[Verse 3]
Take a shower, Weetabix
Brush my teeth, hit the gym (Hit the gym)
Start to write, give up again
In the ink, you're everywhere (Where)
[Chorus]
I swear I'm too damn busy to be thinking of you
And I hope you feel the same, my love
Yeah, I'm too damn busy to be writing 'bout you
Let me start this song again, my love
Success and good sex
Amarula flowing
Spilling drinks down a new dress
I'm all alone
Wish I was too damn busy to be thinking of you
But I need you every day, my love
But I need you
But I need you, you

But I need you just the same, my love
(But I need you just the same, yeah)
But I need you
But I need you
But I need you just the same, my love
