God's Country

Blake Shelton

Right outside of this one church town
There's a gold dirt road to a whole lot of nothing
Got a deed to the land but it ain't my groundThis is God's countryWe pray for rain and thank Him when it's fallin'
'Cause it brings a grain and a little bit of money
We put it back in a plate, I guess that's why they call it
God's countryI saw the light in a sunrise
Sittin' back in a 40 on the muddy river side
Gettin' baptized in holy water and shine with the dogs runnin'
Saved by the sound of the being found
Dixie whistle in the wind, that'll get you Heaven bound
The devil went down to Georgia but he didn't stick around
This is God's country
We turn the dirt and work until the week's done
We take a break and break bread on Sunday
Then do it all again 'cause we're proud to be
From God's country (Yeah)I saw the light in a sunrise
Sittin' back in a 40 on the muddy river side
Gettin' baptized in holy water and shine with the dogs runnin'
Saved by the sound of the being found
Dixie whistle in the wind, that'll get you Heaven bound
The devil went down to Georgia but he didn't stick around
This is God's countryI don't care what my headstone reads
Or what kind of pine wood box I end up in
When it's my time landing 6 feet deep in
God's country
I saw the light in a sunrise
Sittin' back in a 40 on the muddy river side
Gettin' baptized in holy water and shine with the dogs runnin'
Saved by the sound of the being found
Dixie whistle in the wind, that'll get you Heaven bound
The devil went down to Georgia but he didn't stick around
This is God's countryYeah, I saw the light in a sunrise
Sittin' back in a 40 on the muddy river side
Gettin' baptized in holy water and shine with the dogs runnin'
Saved by the sound of the being found
Dixie whistle in the wind, that'll get you Heaven bound
The devil went down to Georgia but he didn't stick around
This is God's country
