

# HEAVY METALS

Noah Gundersen

For some rumors passing time  
I tap the radio wire  
Nothing happened down the line Only human after all  
Every impulse calls  
Automatic animals Hold your breath  
Count to ten  
You've got a lot to learn yet (Na na na na na na) Only askin' half as much  
More than twice enough  
Fever dreamers out of touch  
Yeah  
(Na na na na na na)  
(Na na na na na na) For some reason I can trust  
All I thought it was  
Heavy metals still with rust  
Every empire turns to dust Only love lives in their place  
Only silence and time break  
Time upon time  
Only infinite black space  
Three words on the whole page  
All your life, hey  
Only love left in their place  
Only silence and time break  
Time upon time  
Only infinite black space  
Three words on the whole page  
All your life  
Hold your breath  
Count to ten  
You've got a lot to learn yet (Na na na na na na)  
(Na na na na na na)  
(Na na na na na na)  
(Na na na na na na)
