Liv' Tonight (feat. Keri Hilson)

Nelly & Keri Hilson

I just wanna live tonight*
I just wanna live tonight away
I just wanna live tonight
I just wanna live my life, ayI-I-I-I-I-I-I-I
I just wanna live tonight
I just wanna live tonight away
I just wanna live tonight
I just wanna live my life, ayNew York, LA, Chicago, VA, Saint Louis
I just wanna live my life, ay
Hey Vegas, Miami, hey London
Chicago, hey Providence
(I said, I said, I said)
I just wanna live my life, ay
Top down there's a road on the backstreet
Shot gun with a twin in the backseat
No one with them two, it's just me
Pull up to the club like a pimpsy
Shouts out to the players in the VIP
Hey DJ, yeah you remember me
It's the nigga with same proof from outta suit
And we be, we bePoppin' bottles, making noise
On the tables, on the bars
And at every bar
Tell them girls to freak them boys
I feel the patron jello shots
I'm throwing one hundred dollar rain drops
I live it up, yo, and they not, they not
Cause today
I just wanna live tonight
I just wanna live tonight away
I just wanna live tonight
I just wanna live my life, ayNew York, LA, Chicago, VA, Saint Louis
I just wanna live my life, ay
Hey Vegas, Miami, hey London
Chicago, hey Providence
I just wanna live my life, ayI'm with whatever shawty
What you thinkin'?
I'm treating all night
So what you drinkin'?
Don't be afraid little mama, let loose
Get shawty there another grey goose
Tell your friends "come here"

Let's see what they do
What they do, heyGo shawty, it's your birthday
Wanna Maybach for my birthday
Want the place to see my birthday
Black on black to light grey
And you can roll with me
Yeah, you can roll with me
All yall can roll with me
Cause todayI just wanna live tonight
(Wanna live it)
I just wanna live tonight away
I just wanna live tonight
I just wanna live my life, ayNew York, LA, Chicago, VA, Saint Louis
I just wanna live my life, ay
Hey Vegas, Miami, hey London

Then shawty let's get down
