I Could Get Used To This

Becky Hill

[Verse 1]
I forgotten
Now we're together you keep reminding me
It's not you, it's not me, it's us[Pre-Chorus]
If you never try, you'll never know
But life ain't as easy as the saints go
It ain't always worth it but with you it is
I'm not sure if it's worth it
[Chorus]
But I could get used to this
And all you give
I could get used to this (I could get used to this)
The way I feel when we kiss
I could get used to this (I could get used to this)
I could get used to this[Verse 2]
I don't know if it's too close too quick
I need time to adjust
And you will show me that we both have to take the risk
For you, for me, for us[Pre-Chorus]
If you never try, you'll never know
But life ain't as easy as the saints go
It ain't always worth it but with you it is
So tell me it's worth it
[Chorus]
I could get used to this
And all you give
I could get used to this (I could get used to this)
The way I feel when we kiss
I could get used to this (I could get used to this)
I could get used to this, I could get used to this
