Lamborghini (feat. P. Money)

KSI

Got (inaudible) on my wrist
That sh*t you can't resist
Cash flow greater than the haters
hating on my jist
Riding in your face
looking like I found a dead genie
Riding in my LamborghiniLa Lamborghini, La Lamborghini
B*tch I know you see me
In my Lamborghini
La Lamborghini, La Lamborghini
Ride so quick you'd think I'm Houdini
BOOM!
Been in the game since (inaudible)
Bring it back
I'm fully gassed yo
Vroom Vroom in my brand new Lambo
Juiced up
and I don't give a damn yo
Going 120 and that's my slowest
on a one way lane like Lois
(Who's that?)
Super mad b*tch
Wanna see what happens when I touch a super mad switch?
Ride with more peers than Morgan
Drive past blockers than are walking
I taught them
Matt Lees can you see me?
Riding in my Lamborghini
La Lamborghini, La Lamborghini
B*tch I know you see me
In my Lamborghini
La Lamborghini, La Lamborghini
Ride so quick you'd think I'm HoudiniI'll be at home on the Xbox
All of the mics in the background
Slimming them C's with dreadlocks
Snap that party
Told this girl come round
she's long tempered but I head top
