# Cool Out

## [Imagine Dragons](#)

[Intro]
Cool out, cool out[Verse 1]
Just before I go
Yes, I know that I'm losing control, yeah
I want to take things slow
Put my mind in cruise control
I know I'm always pacing
And I blame it on the pressure I'm facing
I wanna take things slow
Put my mind in cruise control[Pre-Chorus]
I'm standing on your front porch saying, "Don't go"
You were lookin' at me wild saying, "Just go home," and
[Chorus]
Cool out, 'cause baby, I don't think I'm the one for you
So just cool out, 'cause baby, I don't think I'm the one for you
So cool out, stay high, stay fresh, play nice
And just cool out, 'cause baby, I don't think I'm the one for you
So cool out[Verse 2]
You're always saying that you read my sign and
Always wishing that I take the time but
You know that's not my speed
Only believe what I can see
I live my life in black-and-white
I know that's not what you would like
That's all I know
I put my mind in cruise control[Pre-Chorus]
I'm standing on your front porch saying, "Don't go"
You're lookin' at me wild saying, "Just go home," and
[Chorus]
Cool out, 'cause baby, I don't think I'm the one for you
So just cool out, 'cause baby, I don't think I'm the one for you
So cool out, stay high, stay fresh, play nice
And just cool out, 'cause baby, I don't think I'm the one for you
So cool out
So cool out[Bridge]
All the things that you detest in me
They keep you coming back for more, you see
We make each other get a bit crazy
But you will always be a part of me[Chorus]
Cool out, 'cause baby, I don't think I'm the one for you
So just cool out, 'cause baby, I don't think I'm the one for you
So cool out, stay high, stay fresh, play nice

And just cool out, 'cause baby, I don't think I'm the one for you
So cool out[Outro]
So cool out (Cool out, cool out)
Cool out (Cool out, cool out)
So cool out (Cool out, cool out)
(Cool out, cool out)
