Teacher

Nick Jonas

Right when I think I finally got you figured out
You turn around, blow my mind
So frustrated, girl you make me wanna shout
And it's only the start of the night
And I'm likeOh my, oh my, oh my, oh my God
Oh my, oh my, oh my, oh my GodWhy you do me wrong?
Why you do me wrong?
When you wear that dress
Oh my heart just can't take it anymore
Why you do me wrong?
Why you do me wrong?
When you act like this
It's like your momma never taught you how to love
So let me teach ya
Take one step forward then we take a couple back
But you know I'm gonna keep up the pace
This game we're playing make me wanna break the rules
Can't let you get away from me
I'm likeOh my, oh my, oh my, oh my God (oh my God)
Oh my, oh my, oh my, oh my God (yeah)Why you do me wrong?
Why you do me wrong?
When you wear that dress
Oh my heart just can't take it anymore
Why you do me wrong?
Why you do me wrong?
When you act like this
It's like your momma never taught you how to love
So let me teach ya
Dance with that body girl
'Cause everybody here is wanting that body girl
Dance with that body girl
'Cause everybody here is wanting that body girlWhy you do me wrong?
Why you do me wrong?
When you wear that dress
Oh my heart just can't take it anymore
Why you do me wrong?
Why you do me wrong?
When you act like this
It's like your momma never taught you how to loveWhy you do me wrong?
Why you do me wrong?
When you wear that dress
Oh my heart just can't take it anymore

Why you do me wrong?
Why you do me wrong?
When you act like this
It's like your momma never taught you how to loveSo let me teach ya
So let me teach ya
