Scream (feat. Keri Hilson & Nicole Scherzinger)

Timbaland

[Timbaland]
I got a plan for you and I.
Let's journey across the Venetian skies.[Keri Hilson]
Can I have some of your cookies?[Timbaland]
Can I have some of your pie?
May I cut the first slice, so won't you...[Keri Hilson]
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right.
[Keri Hilson]
Intoxicated with desire.
And you're the designated driver, yeah.
I'm not afraid, 'cause I'm a rider, yeah.
Ain't nothing wrong with feeling right, so won't you...[Keri Hilson]
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right.[Nicole Scherzinger]
I love it baby, got me here doing things I don't ever do
You hold me down, that's why I'm here making sure things are up for you
Get it like a getaway, when the lights go off, you turn on
I love your place, 'cause I can hear the echo when you make me...
[Keri Hilson]
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right.[Keri Hilson]
In the car, at the party
Got his hands on your body
Don't fight it, oh
If you like it, oh.
In your room, on the rooftop
Feels good, don't stop
Don't fight it, oh
If you like it, oh
Why don't you...
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right
Scream at the top of your lungs, if your body's feeling right

Scream at the top of your lungs, if your body's feeling right.[Timbaland]
Uh, if you love me girl, why don't you...?
If it feels good, why don't you...?[Keri Hilson]
Sing it.[Timbaland]
Uh, if you love me girl, why don't you...?[Keri Hilson]
'Cause when it feels good
Don't fight it, oh.[Timbaland]
I ain't gon' fight it.[Keri Hilson]
If you like it, oh.[Timbaland]
Ha.
Yeah.[Keri Hilson]
Don't fight it, oh.[Timbaland]
Yeah.[Keri Hilson]
If you like it, oh.[Timbaland]
Break.
Don't you like that?
It feels so good, don't it?
Grab my hand, baby.
Let's take a walk on the beach.
Let's clear our minds.
Hold your screaming here.
Don't you like that beat?
You do?
What else you like?
Hmm, I can accommodate that, hmm.
Oh you like my swagger? Hmm.
You like how I changed it up?
I like it too, baby.
But for now, I think the beat is going a little bit too long.
Oh, you like it this long? Hmm.
That means you like to make love long.
Yeah I feel that oh.
I like how you shaking your hips to it.
It's about to end baby, but don't you stop.
Keep it going, keep it going, keep it going.
Bring it over here.
Sit on my lap.
Kiss me.
No right here.
Yeah.
Huh.
Oh I like that.
Oh I like that.
Oh.I'm gonna stop bullshittin'.
