Nothing Even Matters (feat. D'Angelo)

Lauryn Hill

Now the skies could fall
Not even if my boss should call
The world it seems so very small
'Cause nothing even matters at allNothing even matters
Nothing even matters at all
Nothing even matters
Nothing even matters at allSee I don't need no alcohol
Your love makes me feel ten feet tall
Without it I'd go through withdrawal
'Cause nothing even matters at allNothing even matters
Nothing even matters at all
Nothing even matters
Nothing even matters at all
These buildings could drift out to sea
Some natural catastrophe
Still there's no place I'd rather be
'Cause nothing even matters to meNothing even matters
Nothing even matters to me
Nothing even matters
Nothing even matters to meYou're part of my identity
I sometimes have the tendency
To look at you religiously
'Cause nothing even matters to meNothing even matters
Nothing even matters to me
Nothing even matters
Nothing even matters to me
Now you won't find me at no store
I have no time for manicures
With you it's never either or
'Cause nothing even matters no moreNothing it don't matter
Nothing even matters no more
Nothing even matters
Nothing even matters no moreNow my team could score
And make it to the Final Four
Just repossess my 4x4
'Cause nothing even matters no moreNothing even matters
Nothing even matters no more
Nothing even matters
Nothing even matters no more
