Wayne Andrews, The Old Bee Keeper

The Prize Fighter Inferno

I'm the keeper of the bees
As you know
Just a worthless memory
In this house
Through the light of day
And dark
Will you notice me?
I'm the keeper of the bees
I'm a dead man
Dear Diary
I won't keep her awake
Anymore
I won't love her
Anymore
She won't let me
Just a journeyman's journey
To the end
Will this road hold home for good
Will I ever see?
Against this broken street
I gain
It will comfort meDear Diary
I won't keep her awake
Anymore
