Self Destruction

Boogie

[Intro]
Yo yo yo
This my self destruction
This my self-
I don't give no fucks when
Aw man I'm extra as fuck
Yo yo[Hook]
It go somethin' somethin' somethin'
Can't remember nothin'
Still don't give no fucks when
Wildin' out in public
This my self destruction
Somethin' somethin' somethin'
Can't remember nothin'
Wildin' out in public
[Verse 1]
Oh shit this that part I say I'm livin' what I rap 'bout
Talkin' bout your debit 'til your street cred get you maxed out
I ain't read yo' caption I just seen she had her ass out
Bragging 'bout your xannies 'til I'm smackin' while you passed out
This that actin' loyal then go single for the weekend
She keep ridin' and I'm keepin' this ain't just no cuffin' season
Woah, shit
This shit stupid, foolish, ruthless, and it's genius and it's somethin' somethin', fuck
Then forgot what I was thinkin' 'til the time I fuck a singer
I can't say that I'm that guy like that night I drunk text SZA
Then got hot she ain't reply, woah
This for bitches strippin' whippin' ubers on the side
Don't be stupid this that fire
Oh shit I forgot my line
[Hook]
It go somethin' somethin' somethin'
Can't remember nothin'
Still don't give no fucks when
Wildin' out in public
This my self destruction
Somethin' somethin' somethin'
Can't remember nothin'
Wildin' out in public[Verse 2]
Yo yo, aw man
I told myself I won't gon' wife up no more ratchets I'm stoppin'
I told my mama I won't go back then I went back on my promise

Yeah this that act like we don't know this where our actions have got us
You know my son ain't have no money braggin' 'bout Benihana's
But it's still fuck your broken system, postin' pictures, postin' scriptures, hoes and niggas, bros and snitches, co-defendants, rollin' skimps, your frozen wrist, your goals and missions
'cause you ain't got no hoes still
Come thru kill your whole will
Now you look like roadkill
Oh shit, I don't know still[Hook]
It go somethin' somethin' somethin'
Can't remember nothin'
Still don't give no fucks when
Wildin' out in public
This my self destruction
Somethin' somethin' somethin'
Can't remember nothin'
Wildin' out in public
Oh shit this that...
