

# Can't Take My Eyes Off You

## Lady Antebellum

I know that the bridges that I've burned  
Along the way  
Have left me with these walls and these scars  
That won't go away  
And opening up has always been the hardest thing  
Until you came  
So lay here beside me just hold me and don't let go  
This feelin' I'm feelin' is somethin' I've never known  
And I just can't take my eyes off you  
And I just can't take my eyes off you  
I love when you tell me that I'm pretty  
When I just wake up  
And I love how you tease me when I'm moody  
But it's never too much  
I'm falling fast but the truth is I'm not scared at all  
You climbed my walls  
So lay here beside me just hold me and don't let go  
This feelin' I'm feelin' is somethin' I've never known  
And I just can't take my eyes off you  
And I just can't take my eyes off you  
Off you  
Off you  
So lay here beside me just hold me and don't let go  
This feelin' I'm feelin' is somethin' I've never known  
And I just can't take my eyes off you  
And I just can't take my eyes off you
