Nothing to Lose (feat. Jussie Smollett)

Empire Cast

imma live my life but it isn't fair
would have never thought I'd be down in this gutter
if i can make it here I can make it anywhere
when the going gets rough I gotta get tougherSometimes you only get one shot
I gotta give it all I got
cause i aint got nothing to lose
So much to prove
i came too far to hear no
(Gotta go hard or go home)
cause i aint got nothing to lose
(I gotta do what i gotta do)

Mhmm, ayeHow da hell did my back get against the wall
never thought that I'll would be here at Rock bottom
At least i dont have to worry about the fall
why did I end up with ninety nine problems
Sometimes you only get one shot
I Gotta give it all i got
cuz i aint got nothing to lose
So much to prove
i came too far to hear no
gotta go hard or go home
i aint go nothing to lose
I gotta do what i gotta doLadaladadalada
