Magic Carpet Ride

Steppenwolf

I like to dream
Yes yes right between the sound machine
On a cloud a sound I drift into the night
Any place it goes is rightGoes far flies near to the stars away from here
Well you don't know what uh we can find
Why don't you come with me little girl?
On a magic carpet ride
You don't know what we can see
Why don't you tell your dreams to me?
Fantasy will set you free
Close your eyes girl
Look inside girl
Let the sound take you away
Last night I hold Aladdin's lamp and so I wished that I could stay
Before the thing could answer me
Well someone came and took the lamp away
I looked around a lousy candle was all I foundWell you don't know what uh we can find
Why don't you come with me little girl
On a magic carpet ride
Well you don't know what we can see
Why don't you tell your dreams to me?
Fantasy will set you free
Close your eyes girl
Look inside girl
Let the sound take you away
You don't know what uh we can find
Why don't you come with me little girl?
On a magic carpet ride
Well you don't know what uh we can see
