When You Believe (with Maren Morris)

Pentatonix & Maren Morris

Many nights we've prayed
With no proof anyone could hear
In our hearts a hopeful song we barely understood
Now we are not afraid
Although we know there's much to fear
We were moving mountains
Long before we knew we couldThere can be miracles when you believe
Though hope is frail, it's hard to kill (oh ooh oh)
Who knows what miracles you can achieve
(You can achieve)
When you believe, somehow you will (oh ooh oh)
You will when you believe (ooh oh)
In this time of fear when prayer so often proves in vain
Hope seems like the summer bird summer bird
Too swiftly flown away (ah ah ah)
Yet now I'm standing here
My heart so full, I can't explain
Seeking faith and speaking words (never thought)
I never thought I'd sayThere can be miracles when you believe
(When you believe)
Though hope is frail, it's hard to kill (oh ooh oh)
Who knows what miracles you can achieve
(You can achieve)
When you believe, somehow you will (oh ooh oh)
You will when you believe
They don't always happen when you ask
And it's easy to give in to your fears
But when you're blinded by your pain
Can't see your way here through the rain
We're small, but still, we're singing far
Says help is very nearThere can be miracles when you believe
(When you believe)
Though hope is frail, it's hard to kill
(It's hard to kill)
Who knows what miracles (miracles)
You can achieve
When you believe, somehow you will
(Somehow you will)
Now you will, oh-oh oh oh
You will when you believeOoh ooh ooh
You will when you believe
