Froot

Marina and The Diamonds

Froo-oo-oo-oot
Lalalalalala
Ju-u-u-uice
LalalalalalaI've seen seasons come and go
From winter sun to summer snow
This ain't my first time at the rodeoNature ain't a fruit machine
She's gotta keep her credits clean
Good things come to those who wait
But I ain't in a patient phaseIt's summer time and I hang on a vine
They're gonna make me into sweet red wine
Hanging around like a fruit on a tree
Waiting to be picked, come on cut me free
Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Hanging like a fruit
Ready to be juiced
Juiced, juicedLiving la dolce vita
Life couldn't get much sweeter
Don't you give me a reason
That it's not the right season
Babe, I love you a lot
I'll give you all I've got
Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like froot
Baby, I am plump and ripe
I'm pinker than shepherd's delight
Sweet like honeysuckle late at nightLeave it too long I'll go rot
Like an apple you forgot
Birds and worms will come for me
The cycle of life is completeI'm your carnal flower, I'm your bloody rose
Pick my petals off and make my heart explode
I'm your deadly nightshade, I'm your cherry tree
You're my one true love, I'm your destinCome on fill your cup up
Looking for some good luck
Good luck, good luck to you
Autumn, I'll be gone
Birds will sing their mourning song
SongLiving la dolce vita
Life couldn't get much sweeter

Don't you give me a reason
That it's not the right season
Babe, I love you a lot
I'll give you all I've got
Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like frootOh my body is ready
Yeah it's ready, yeah it's ready for your love
Oh my branches are heavy
Yeah they're heavy, yeah they're heavyLiving la dolce vita
Life couldn't get much sweeter
Don't you give me a reason
That it's not the right season
Babe, I love you a lot
I'll give you all I've got
Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like frootLiving la dolce vita
I'm in love
Living la dolce vita
I'm in loveI'm in love
