I Should've Cheated

Keyshia Cole

Baby . . . (Verse 1:) First of all let me say You can't accuse me of all the things you know that you are guilty of And I see that it is easy for you to blame everything on me If that's the case I should go have my fun

and do all the things you say I do

Boy I can't continue to take this from you(Chorus:)

I might as well have cheated on you As much as you accused me of cheating

I might as well have lied to you

As much as you accused me of lying

I might as well have gone to the club

As much as you accused me of clubbin'

I might as well have threw away my love

As much as you accused me

I Shoulve Cheated(Verse 2:)You say I was out with somebody else When my girl told me she saw you with some girl (Some girl)

But I didn't accuse you of something that I didn't see myself (see myself) Realize that I would never do anything to disrespect you

Trust me, you gotta stop accusing me(Chorus)

(Bridge)Don't you know I wish I knew

that you would treat me this way

If you don't promise me that you'll change change your ways I'm leaving today

And I ain't coming back

And you made it like that

Was unfair to me

All this jealousy

I'm your everything

What would you do without me?

Why you trippin'?(Chorus)I should have lied

I should have cheated

Maybe I should have went out to the club

Or maybe I ... should have done it

Should have given away all my love

Or maybe I ... I should have played you

Cause you don't appreciate me, no

And I tried to stay down with you

But you're making it hard for me(Chorus)As much as you accused me of cheatin' I should have cheated

As much as you accused me of lying As much as you accused me of clubbin' (I love you) As much as you accused me of cheatin'
