Pacify Her

Melanie Martinez

Tired, blue boy walks my way
Holding a girl's hand
That basic bitch leaves finally
Now I can take her manSomeone told me stay away from things that aren't yours
But was he yours, if he wanted me so bad?Pacify her
She's getting on my nerves
You don't love her
Stop lying with those wordsPacify her
She's getting on my nerves
You don't love her
Stop lying with those words
Word, word
I can't stand her whining
Where's her binky now?
And loving her seems tiring
So boy, just love me down, down, downSomeone told me stay away from things that aren't yours
But was he yours, if he wanted me so bad?Pacify her
She's getting on my nerves
You don't love her
Stop lying with those wordsPacify her
She's getting on my nerves
You don't love her
Stop lying with those words
Word, word
Pacify her
She's getting on my nerves
You don't love her
Stop lying with those wordsPacify her
She's getting on my nerves
You don't love her
Stop lying with those wordsPacify her
She's getting on my nerves
You don't love her
Stop lying with those words
Word, word
