Love Drunk

LoCash Cowboys

Oh, come on, mmhmm All day I've been thinkin, you and me should do a little sneakin way off and find a spot where there ain't nobody.
Do a little shot, good God almighty.
Turn on the i
Pod playlist, find the one that's really gonna make this romantic in a southern kind of hippie lil way.
Finish it all off with some Marvin Gaye And get love drunk, go straight to the good stuff.
Soak up a little moonshine, wake up to a tequila sunrise.
Pour your kisses on the rocks, keep em comin baby don't stop.
Pass out in the back of my truck.
Let's get a little love drunk Ad

Here We make a perfect little blend.
We fit together like a tonic and gin, like a double shot of cuervo in your salty margarita.
I could be your gringo, you could be my sinorita Get love drunk, go straight to the good stuff.
Soak up a a little moonshine, wake up to a tequila sunrise.
Pour your kisses on the rocks, keep em comin baby don't stop.
Pass out in the back of my truck.
Let's get a little love drunk Let's get a little love drunk, go straight to the good stuff.
Soak up a a little moonshine, wake up to a tequila sunrise.
Pour your kisses on the rocks, keep em comin baby don't stop.
Pass out in the back of my truck.
Let's get a little love drunk Stir it up, bottle up, let's get a little love drunk. com/l/locash-cowboys/love-drunk
