Fake

Alexander O'Neal

Your name was Patty
but now it's KayGirl
you seem to change it every day.
Your hair was long
but now it's shortYou say: I got it cut
but I don't see no hair upon the floor.
Whenever I go out with you I find out something new.You're a fake
baby
you can't conceal itKnow how I know
'cause I can feel it.
You're a fake
baby
no rhyme or reason'Cause in your mind it's lyin' season.You had brown eyes
but now they're blueThose false eyelashes that you're wearin'
too.
In bed this morning you called me CIydeAlex is the name that I go by!
If women could be counterfit
then you'd be it.You're a fake
baby
you can't conceal it
. . .
You're a fake
baby
I've blown your cover
the iig is up
'cause I discovered -
You're a fake
baby
no need to hide itCan't change my mind
'cause I've decided -
You're a fake
baby
and I'm disgustedThe game is through and
girl
you're busted
fake!Whenever I go out with you I find out something new.
You're a fake
you always have a good excuseBut
girl
that ain't no use.
You're a fake
baby

you can't conceal it
. . .
You're a fake
baby
no rhyme or reason
. . .
You're a fake
baby
Fake
fake!
