Good For Me (feat. Karen Harding)

Giorgio Moroder

They did it on the plane It's like make up on my face I'm sorry
Can't pull myself outof this game
Got that pounding inmy head so baby
You can come around me you wantto
But I ain't' gonna talk to you
Yeah let me think it
I'm always on a selfish mood Every single day am I making all these lame excuses?
And I know, I know, Iknow
I drive you crazy
I'm so far from perfect
Sometimes it feels like you're too good for me
You said I love you
Is it really worth Sometimes it feels like you're too good for me Sometimes it feels like you're too good for me
Ohhh
Ohhh
Sometimes it feels like you're too good for me Ohhh Sometimes it feels like you're too good for me(ohhh) Ohhh Sometimes it feels like you're too good for me You pick me up at 2 am
And they're dropping at my friend's amazing
And every time you have at it
You never never let you waiting
Wish that I can tell you I appreciate every little thing you do Tell you that my heart aches When I think I'm losing you
Every single day am I making all these lame excuses?
And I know, I know, Iknow
I drive you crazy I'm so far from perfect Sometimes it feels like you're too good for me "
You said "i love you
Is it really worth Sometimes it feels like you're too good for me(ohhh) Ohhh Sometimes it feels like you're too good for me (ohhh) Ohhh!
Sometimes it feels like you're too good for me
Ohhh
Ohhh!
Ohhh
Ohhh!
Ohhh
Ohhh!
Ohhh
Every time I think I'm losing you
I drive you crazy
I'm so far from perfect Sometimes it feels like you're too good for me
You said "i love you"
Is it really worth Sometimes it feels like you're too good for me(ohhh)

Ohhh
Sometimes it feels like you're too good for me(ohhh)
Ohhh!
Sometimes it feels like you're too good for me
