Princess

Datarock

Close encounter of the third kind
I wouldn't mind, from what I see on the dance floor! Yeah!
I wouldn't mind an encounter
I think we better leave through the back door, yeah!Close encounter of the third kind
I wouldn't mind, from what I see on the dance floor! Yeah!
I wouldn't mind an encounter
Hey pretty girl on the floor you wanna slip through the back door? Yeah!
P-p-p-princess! You're a princess!
You got the ass of a prince, you got a prince of an ass
P-p-p-princess! You're a princess!
You got the ass of a prince, you got a prince of an ass
P-p-p-princess! You're a princess!
You got the ass of a prince, you got a prince of an ass
P-p-p-princess! You're a princess!
You got the ass of a prince, you got a prince of an ass
P-p-p-princess!
P-p-p-princess!
