In my
Fontaine, call me Don
Beast mode Donkey Kong
Yeah, and I'm on that shit
Roll up quick in a cold ass whip
We rag toppin' it
Chrome pipes you mad, stop it
In a IRZ
You ain't gonna see me in a Maybach, please
Gotta old whip, send it my way
That's all I really push when I'm on the highway
Gotta old whip, send it my way
That's all I really push when I'm on the highway

What? I get that money that guac
They tell me "honey, that's hot"
I can't be something im not
I'm tippin' that boat, Im makin it rock
Why you chicks so jelly
Saved by the bell cause I look like Kelly
And I aint no lame
Please don't step to me with no game
Pop that, put that top back down
Everybody lookin at me when I roll out
Roll out roll out
Everybody lookin at me when I roll out

Yeah, I don't read what the sign say
I be doin' 120 in the right lane
Pull up to a nice rage
All I see is smoke when the lights change
And the get so mad
Looking like they never seen a pair of chrome mags
Imma act a fool
Kickin' these rich kids back to school
Gotta old whip, send it my way
That's all I really push when I'm on the highway
Gotta old whip, send it my way
That's all I really push when I'm on the highway
