Long Way 2 Go

Cassie

I love it when they try to get intimate
Even though they know I really am not into it
(You're not into it?) I'm not into it
I already know the game and I've been through it
See I buy my own bags, my boots, my jeans
Wear La Rok with my Rebel Yell underneath
You wanna step to me?
Since you gotta long way 2 go (Rock with me now)
You claim that you're so hot
And you say you got skills in the bedroom
You, try to flirt when you're so not
Had a chance you still never come through
You, say you wanna come see me
'cause you know your girlfriend wanna be me (Uh)
I'm a tell you why you can't
Since you gotta long way 2 go
Say you wanna love me?
Wanna love me? Wanna touch me?Think twice 'cause you gotta long way to go huhDon't know how to act, better fall back
It's like that "cause you gotta long way to go
It's not that deep, take it easy, you wanna please me?
Got a long way 2 go, I'm a bad girl
You wanna get close? Easy up 'cause you gotta a long way
I love it when they try to get scandalous
Even though they know they really can't handle it
(They can't handle it?) They can't handle itTry and take me out to dinner, I'll cancel it
If you really wanna know me first of all
You should never try to get too personal
'cause I meant it when I said
That you gotta long way to go
You claim that you're so hotAnd you say you got skills in the bedroom
You try to flirt when you're so not
Had a chance you still never come throughYou say you wanna come see me
'cause you know your girlfriend wanna be me (Uh)
I'ma tell you why you can't
Since you gotta long way to go
Say you wanna love me?
Wanna love me? Wanna touch me?Think twice 'cause you gotta long way to go
Don't know how to act, better fall back
It's like that "cause you gotta long way to go
It's not that deep, take it easy, you wanna please me?Got a long way 2 go, I'ma bad girl
You wanna get close? Easy up 'cause you gotta a long way to go

(repeat)You claim that you're so hot
And you say you got skills in the bedroom
You try to flirt when you're so not
Had a chance you still never come through
You say you wanna come see meYour new girlfriend wanna be me
Since you gotta long way 2 go
Say you wanna love me?Wanna love me? Wanna touch me? (Touch me)
Think twice 'cause you gotta long way to go (Way to go)
Don't know how to act, better fall back (Oh you got a long way)
It's like that 'cause you gotta long way to go
It's not that deep, take it easy (Take it easy) you wanna please me?
Got a long way 2 go, I'ma bad girl (I'ma bad girl yeah)You wanna get close? Ease up 'cause you gotta a long wayWanna love me? Wanna touch me?
Think twice 'cause you gotta long way to go {Way to go}
Don't know how to act, better fall back
It's like that 'cause you gotta long way to go
It's not that deep, take it easy' wanna please me?
Got a long way to go
Since you got a long way to go
Rock with me now
Cause you got a long way to go
Better fall back
Since you got a long way to go
