How we did it in on a one night stand
Girl I wanna be more than a friend, to you
Nice to nice to know ya let's do it again
How we did it in on a one night stand
Girl I wanna be more than a friend, to youIt was like food for all my senses
Our time prices is so expensive
Like water to all dem dry trenches
She had a theme song for every entrance
We had a dinner and a movie, fire up di dubie,
raised vibes for this girl scoot closah to me
I call her babe, she call me boogie
Her beauty, intelligence really moves me
Nice to nice to know ya let's do it again
How we did it in on a one night stand
Girl I wanna be more than a friend, to you
Nice to nice to know ya let's do it again
How we did it in on a one night stand
