So baby hollah at a GI keep you away from prankstaz
You can be my mistress, I can be ya gangsta
Seen you on the money rockin bring me back the paper Give you back half just for doin me dat

Beat it while I feed it to you good like soulfood Forget about old dude, call him Mr. used too

Baby dats roofless
Tell ya what the truth is Niggahz can't hit it right
Den baby he useless I'm a yung thug, give it to you with my Chews on,
Shoes on, just incase a yungin gotta move on
When at home all alone at nite Cause dat otha niggah ain't lovin you rite

Takin shots of the goose just to mix with gettin blunted See I can brighten days keep ya wrists

Heavy off in the streets, see ya man, I'm a deal with him
Baby he play it lock like the Tommy The Hilfiger
Call me ya boss boy or just call me ya deal giver
Heard you needed a thug so there go ya meal

Baby girl don't worry I'm dat hurry and get it like
When at home all alone at nite
Cause dat otha niggah ain't lovin you rite
Just call me

You spendin money on dat buddy ain't hood
And no worries baby it's all good
Jus call me
I'll always be around (round)
When at home all alone at nite
Cause dat otha niggah ain't lovin you rite
Just call me
Girl I can put it down (down)
You spendin money on dat buddy ain't hood
And no worries baby it's all good
Jus call me
I'll always be around (round)
