

# Cat People (Putting Out Fire) [Single Version]

David Bowie

See, these eyes so green  
I can stare for a thousand years  
Colder than the moon, it's been so long  
Feel my blood enraged  
It's just the fear of losing you  
Don't you know my name  
Well, you've been so long  
And I've been putting out fire  
With gasoline! See these eyes so red  
Red like jungle burning bright  
Those who feel me near  
Pull the blinds and change their minds  
It's been so long  
Still this pulsing night  
A plague I call a heartbeat  
Just be still with me  
You wouldn't believe what I've been through  
You've been so long  
Well, it's been so long  
I've been putting out the fire with gasoline  
Putting out the fire with gasoline  
See, these tears so blue  
An ageless heart that can never mend  
Tears can never dry  
A judgment made can never bend  
See, these eyes so green  
I can stare for a thousand years  
Just be still with me  
You wouldn't believe  
What I've been through  
Well, you've been so long, it's been so long  
And I've been putting out fire with gasoline  
Putting out fire with gasoline  
Putting out fire, I've been putting out fire  
Well, it's been so long so long so long  
Yes, it's been so long so long so long  
(I've been putting out fire)  
Been so long so long so long (And putting out fire)  
Been so long so long so long  
(Yeah, yeah, putting out fire)  
Been so long so long so long (Been putting out fire)  
Been so long so long so long  
(Yeah, putting out fire)  
Been so long so long so long (Putting out fire)  
Been so long so long so long  
(It's been so long)  
Been so long so long so long (It's been so long)

Been so long so long so long  
(And I've been putting out fire)  
Been so long so long so long  
(I've been putting out fire)
