Faith (feat. Mr. Probz) [Elliot Fitch Remix]

Galantis & Dolly Parton

Know the road gets hard
And you just want to leave
I ain't never been too farJust?have?a little faith?in me
I know how to fix?you, I
Oh you can't believe
Oh, I'll be standing by your side
Just have little faith in meHave a little faith in me
Just have a little faith in me
Have a little faith in me
Just have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me
Just have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me
When you don't know who you are
I will find you so easily, oh
Don't you worry
Whenever you need me
Have a little faith in meHave a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me
Have a little faith in me (faith in me)
Have a little faith in me (faith in me)
Have a little faith in me
Just have a little faith in me
Have a littleHave a little faith in me
Have a little faith in me
Have a little faith in me
Let me shine and radiate
With your love and light, and help me make
And you change our can in this world today
Just show me the way
Have a little faith
(Just show me the way) Have a little faith
(Show me the way) Have a little faith
