Buy My Love (Justin Willis & Mikael Sane Remix)

Wynter Gordon

Don't you hesitate to buy my loveI wanna spend your money
Don't get me wrong
Still gunna spend my money
I got the funds
Lets take a quick vacation
A little shopping spree
A fancy destination
We'll spend it all on meYou could be my sugar daddy,
I call you my honey honey,
Blow the rent the whole shibang on me
You know how to throw a party,
We can act like it's my birthday,
Lots of ways to make me smile
There's a million ways to show your devotion,
So many ways to sway my emotions
Ooh, ooh.
Don't you hesitate to buy my loveGirls like chocolate, kisses and roses
We want jewels, gimme shoes gimme romance
Ooh ooh
Don't you hesitate to buy my loveI'm gonna let you spoil me, just for the day.
Your time will come i promise, you'll have your way
No need to thank me baby, a creditcard will do.The love you show me, baby, is coming back to you.You could be my sugar daddy,
I call you my honey honey,
Blow the rent the whole shibang on me
You know how to throw a party,
We can act like it's my birthday,
Lots of ways to make me smile
There's a million ways to show your devotion,
So many ways to sway my emotions
Ooh, ooh.
Don't you hesitate to buy my loveLove me, love me,
How much do you want me?
You can't buy my love,
But you should try, tryThere's a million ways to show your devotion,
So many ways to sway my emotions
Ooh, ooh.
Don't you hesitate to buy my loveGirls like chocolate, kisses and roses
We want jewels gimme shoes gimme romance
Ooh ooh

Don't you hesitate to buy my love
