When I See U

Fantasia

I Put Your Picture On My Mirror,
Start To Blush When Somebody Say's Your Name
In My Stomach Theirs A Pain
See You Walk In My Direction I Go The Other Way
I Start To Stutter When I Speak
Try To Stand But My Knee's Go Weak
What Happening To Me In The Dark Can You Tell Me What It Means
I Lay My Head On My Pillow
Staring Out The Window
Wish On A Star For A Sign
Its The Reason Why
Your Always On My Mind
When You Come Around I get Shy
When I See You, When I See You
Never No When You Might Walk By
So I Gotta Be Right On Time
When I See You When I See You
ok. When I see you baby look I see us
remix for the radio so I cant Cuss (Haha)
We Focus Right Now, Baby I Can't Talk
You Know I Got That New Coop Girl, I Can't Walk (Woo)
truth is ima call you later
im on the grind right now trying to get this paper
im in this streats all day im just trying to eat
your in the bed all night you just trying to sleep
it aint like em with that chick from the other side of town Yeeh.
It Is What Is, Baby Wipe Me Down (Yeah)
think back how it was with out me
And How Everything Is So Thug About Me said.Your Always On My Mind
When You Come Around I get Shy
When I See You, When I See You
Never No When You Might Walk By
So I Gotta Be Right On Time
When I See You when I see you
Something now is taking over me
Yeah, yeah, yeah, yeah, yeah
I'm not gonna run not
Just gonna stand here and see
Oh, oh, oh, yeahYou're always on my mind (Hey baby)
When you come around I get shy
When I see you
When I see you (You're so sexy boy, you're so sexy boy)I never know when you might walk by

(I don't know)
So I gotta be right on time
When I see you (But I get nervous around you)
When I see youYou're always on my mind (You're always)
When you come around I get shy
When I see you (You, you, you)
When I see you (I love it, I love it)I never know when you might walk by
(Yes I love it boy)
So I gotta be right on time
When I see you
When I see you (For some reason I can't, I can't be around)Hey
I can't
Only when I see you
