

# Gonna Breakthrough (feat. Brook)

## Mary J. Blige

Yea lets take em back  
uh-huh

I need a real love Mary hollar at me if you need a real thug  
we could ride through Compton to see real blood, real crypts,  
and imma always hold you down thats real shit  
I'm the Los Angeles King and you remind me of Mary the R&B Queen

I got the 411 whats crackin what  
I owe you for helping me go 4 times platinum  
I had a kid to my life he's almost 2 i guess wat im tryin 2 say  
is thank you for over ten years in the ghetto gospel  
you paved the way for young black women of prosper

how you paint pictures  
you deserve grammies and oscars  
congratulation from me Aftermath and the "Dr"  
so you could go ahead envy me  
I'm Billboards top ten featuring 'MJB'  
'91 i stepped in this game  
After 'whats the 411' things aint been the same  
and i cant complain but with all this fame  
comes a whole lot of pain  
but im so glad to be here  
and my music's still sincere  
lets get back to the story  
all of this pain and glory  
and '94 was my life and my life wasn't right  
so i reached out to you and told u what i been through

Hate it or love it,  
(The underdogs on top)  
(And I'm gonna shine homie until my heart stops)  
go 'head envy me

I'm the soul hip-hop queen  
and i aint going nowhere  
but you already know me  
Hate it or love it,  
(The underdogs on top)

(And I'm gonna shine homie until my heart stops)  
go 'head envy me  
I'm the soul hip-hop queen  
and i aint going nowhere  
but you already know me I came with 'share my world'  
but at that point I was just a foolish girl  
trying to find my way

Then I dropped the 'Mary' album  
and people were saying that its just not gonna work  
and my feelings they did hurt  
but my fans showed me so much love  
and i owe it all to them  
and i came with 'No More Drama'  
I remember that year  
it was when Aaliyah died i couldnt hardly sleep  
thought about it everyday and it made me change my way  
I'm a real woman now because of all of these days You remind me  
of a real love  
(you dont 'ave to worry)  
real love  
all night long  
im goin down  
dododododah dododododah  
reminice on the love we have  
you are everything but without it baby  
what u gonna do without  
my life, my life, my life, Right now i just want to thank .

Dr.Dre

Hate it or love it Aftermath's On Top!and The Game for picking such a hot record
