Crazy About You

Plumb

You screwed up, made mistakes
Got dirty from the messes you've made
But I whisper "That's okay,
I love you despite what you say"Take another chance
Take another chance on my love
No matter what you've done right
No matter what you've done wrongYou, you've been fighting so long
You, you belong in my armsWhen I look in your eyes
They're magic like the stars in the sky
And I made them just like I made you
And I'm so crazy, I'm so crazy about you
Take another chance
Take another chance on my love
No matter what you've done right
No matter what you've done wrongOh you, you've been fighting so long
Oh you, you belong in my armsTake another chance
Take another chance on my love
No matter what you've done right
No matter what you've done wrongAlways wanted you
Always been after your heart
So come and dance with you now
Come and dance right where you are
You, you've been fighting so long
You, you've been fighting so long
Oh you, you belong in my armsI'm crazy, so crazy
I'm so crazy, so crazy about you
