Wild

JONES

I've been running alone
And I've been searching for gold
See a little in between the spread of this dust
Praying that in time I'll make some light of the darkIf there's one thing I know
Is that there feels nothing like home
Nothing like the feeling of a limitless road
Fire in my blood, there's only one way to go
Ooh-ooh-ooh, ooh, ooh (I feel it coming, feel, I feel it coming)
Oh, ooh-ooh-ooh, ooh, ooh
I don't wanna stop this fight
Though I'm smiling through bloodshot eyes
In this moment I'm dreaming wild
So wild
And in my heart I'm dreaming wild
[?], oh, believe it
I don't wanna stop this fight
So wildSee, I've been running from gold
I wear each lesson as my cown
Never no tomorrow could bring nothing at all
I will take my chances and be ready to fallStill know nothing of this world
I'm still my mother's [?] girl
I will keep on fighting 'cause I'm fighting for love
Pressure on my lungs, now I'm singing out
Ooh-ooh-ooh, ooh, ooh (I feel it coming, feel, I feel it coming)
Oh, ooh-ooh-ooh, ooh, ooh (I feel it coming, feel, I feel it coming)
I don't wanna stop this fight
Though I'm smiling through bloodshot eyes
In this moment I'm dreaming wild
So wild
And in my heart I'm dreaming wild
[?], oh, believe it
I don't wanna stop this fight
So wildStop this fight
Bloodshot eyesI don't wanna stop this fight (Stop this fight)
Though I'm smiling through bloodshot eyes (Bloodshot eyes)
In this moment I'm dreaming wild (I'm dreaming, oh, I'm dreaming)
So wild
And in my heart I'm dreaming wild
[?], oh, believe it
I don't wanna stop this fight (Stop this fight)
So wild
