Enough

Fantasia

The hours, they turn into seconds whenever I'm with you
And what feels like the minutes are running away from me too
I could just live here in your arms, I don't wanna move
'Cause the way that you love me, it makes me feel like I'm brand new
You tell me that we can stay here forever
And me, I foolishly believed
'Cause nothing can last as long as we have, baby
But I just can't hide it, I want you to stay here with me
It's so hard to let you go
Baby, that's how I know it's real love
I fight, but my feelings keep showing
They came rushing in, just like a flood
I can't get enough 'cause I need you baby baby, by my side
You can give me your time
And I'll always ask for more
'Cause forever just ain't long enough
I'm drawn to you like a moth to a flame
And I'll risk it all for you, baby, no, I ain't got no shame
Ooh
Now if you give your everything, promise baby, I'll do the same
I'll keep on being the woman you need, I won't judge
You tell me that we can stay here forever
And me, I foolishly believed
'Cause nothing can last us long, everyone baby
But I just can't fight it, I want you to stay here with me
It's so hard to let you go (It's so hard)
Baby, that's how I know it's real love
I fight, but my feelings keep showing
They came rushing in, just like a flood
I can't get enough 'cause I need you baby baby, by my side
(I need, I need you now, baby)
You can give me your time
And I'll always ask for more
'Cause forever just ain't long enough
All this love is more than I pray for
More than I thought was in
In my lifetime, and this getting stronger
Baby, just stay here with me
It's so hard to let you go (It's so hard)
Baby, that's how I know it's real love (Real love, baby)
I fight, but my feelings keep showing
They came rushing in, just like a flood

I can't get enough 'cause I need you baby baby, by my side
(I need you baby, baby)
You can give me your time
And I'll always ask for more
'Cause forever just ain't long enough
