Next In Line

Meese

Your just so typical
I took you for original
(Na na na na na)
Like all the other ones
Like every other hidden one
(Na na na na na, na na na na na)
Now back in hollywood
We're acting like nothing, royalty
We're on.
C'mon and pack 'em in
You pack 'em in yea-yeah
(Na na na na na, na na na na na)
[Chorus:]
Stop and rewind
Now I know
What I'm leaveing behind
And you'll always be the next in line
Make a scene
Make a scream
Like you're loseing your mind
And you'll always be the next in lineShe likes the sound of it
I said,
"There's something wrong with it."
(Na na na na na)
I told you what you need
I told you everything, yeah
(Na na na na na, na na na na na)[Chours:]
Now you know
You're the one that I'm
Leaveing behind
And You'll always be the next in line
Make a scene
Make a scream
Like you're loseing your mind
And you'll always be the next in line...Mean what you say, kid
Before you waste it.
Slam on the breaks now
Before the breakdown.
(Na na na na na)You're so much older now
You're holdin' out
You're holdin' out
Oh, so c'mon pack 'em in

You pack 'em in yea-yeah
(Na na na na na, na na na na na)[Chorus:]Always be the next in line
Always be the next in line
Na na na na na, na na na na na
Na na na na na, na na na na na
Na na na na na, na na na na na
Na na na na na, na na na na na.
