Dreamer (feat. Trevor Guthrie)

Axwell ? Ingrosso

Heavy on your heart
Heavy on your mind
Wandering the streets tonight
If you're looking for a home
You are not alone
I can be your guiding lightCause I promise you
I'm a dreamer too
Heavy on my heart
Wandering the streets tonight
When all it all counts for something
And your pocket's full of nothing
Let's get high on believing
I can promise you
Yes I am a dreamer too
We are dreamers together
Always here forever
Let's get high on believing
I can promise you
Yes I am a dreamer too
I can promise you
Yes I am a dreamer too
Let's get high on believing
I can promise you
Yes I am a dreamer too
Heavy on my feet
Heavy on my knees
Walking down a winding road
If you're looking for a home
You are not alone
I can be your stepping stoneCause I promise you
I'm a dreamer too
Heavy on my feet
Walking down a winding roadWhen it all counts for something
And your pocket's full of nothing
Let's get high on believing
I can promise you
Yes I am a dreamer too
We are dreamers together
Always here forever
Let's get high on believing
I can promise you
Yes I am a dreamer tooI can promise you

I can promise you
I can promise you
I can promise you
I can promise you
I can promise you
I can promise you
Yes I am a dreamer tooI can promise you
Yes I am a dreamer too
We are dreamers together
Always here forever
Let's get high on believing
I can promise you
Yes I am a dreamer too
