No One Else
(Featuring Da Brat)There you are, looking at me,
Tell me what you want this to be.
It could be everything that your heart desires,
All you got to do is stick around for awhile.
There's so many things that I wanna do,
Take you all around, it's all up to you.
If you take my hand and just follow me,
There's no telling what we could be,
Just you and me.
I don't need no one else but you,
Tell me what you want me to do.
I don't need no one else but you,
You gotta believe me, 'cause what I say is true.Could you be all that I need,
Show me what I need to see.
If it's alright with you, tell me now baby,
We can take this all the way just tell me how.
There's so many things that I wanna do,
Take you all around, it's all up to you.
Dare you take my hand, and just follow me,
There's no telling what we can be, just you and me.RepeatIf you wanna just take your time,
I'll understand, just tell me why.
If it's alright with you, I'll let you lead the way,
No need to wait baby, don't hesitate.
Rap by Da Brat:
For what it's worth I'ma keep bustin', keep puffin', and loving nothin'.
If I die I'ma be high, no tears all of a sudden bluffin'.
Never finger on the lever selling records,
In J. Boogie leather ready to wreck a nigga whenever.
What I need is that scholar that could capitalize my dollar,
Capital size when ya hit it make me wanna holler.
I do run run my mouthpiece with a vengeance,
Start repenting if you didn't in the beginning,
You should hit your knees, and do whatever pleases you,
Long as you pleasing me I'm all you need nigga.
The decoy watch Brat kill and destroy,
You the last one to #!*@ with So So Def and Bad Boy.Repeat to fadeI don't need no one baby,
as long as I have you,
You gotta believe me baby, 'cos what I say is true.
I don't need no one baby, you're the only one for me,

I don't need nobody else, baby can't you see?
