Stay With Me

Chris Lake

[Intro]
Uh, I want you to stay with me[Verse 1]
I see you wanting me
Do you like what you see?
Feel your energy
Watching over me
Let me find what you keep
What you're hiding from me
I could take you aside
Keep you safe for the night
[Chorus]
Uh, I want you to stay
Uh, I want you to stay
Uh, I want you to stay
Uh, I want you to stay with me[Verse 2]
I feel you looking at me
Do you like what you see?
Feel your energy
Watching over me
Let me find what you keep
What you're hiding from me
I can hear you speak
That you're watching over me
[Chorus]
Uh, I want you to stay
Uh, I want you to stay
Uh, I want you to stay
Uh, I want you to stay
