Interlude 1

Lauryn Hill

OK. Oh no! not you! What are you doing here?
Oh boy it's gonna be hard now... Can we put him in the back?
Robin, Robin, Robin...I used to get dressed for you all, I don't do that no more, I'm sorry... it's a new day, I don't have the energy...Ya'll like my jokes?OK so, ah... these are brand new songs, that a very few people have heard hmm
very much about... you know, whatever... I been going trough and what I been learning lot of her, wonderful life lessons, you know, that are easy to combine but you're very blessed after you realize why you had to go trough what you had to go trough... is it very important that you really listen to the words, you know, and if you have a hard time to hear what I'm saying please raise your hand you know, object... whatever... you guys ready in there? (All set) OK...and I... you know, It's really interesting because I used to... I used to be a performer, and I really don't consider myself a performer so much anymore, I'm really just... you know I'm sharing... you know... more or less the music that I've been giving, but if I stop, if I start, if I... you know... feel like saying baby, baby, baby for... eighten bars... whatever... you know...
I just I do that...So You guys are cool? [Yeah!] Ok I'm talking to people in my head too, It's alright though. This is worth my? ape lope?. I'm just gonna finish sucking on my Lazenger.
Ok so this particular song is called Mr. Intentional •will see, we tune that now•this is one? ape lope?
