A Warrior's Call

Volbeat

Let's get ready to rumble
Feel the fire, he's entering the ring
His mindset only knows how to win
This Irish fighter will break you in twoYou will feel all his power
The viking warrior, Austin Logan
Will now brand his name in the back of your head, yeah
You feel the floor again, unleashing his hell
You will not even hear the bellMaybe you're strong, but you don't stand a chance
Feel the power of a warrior
Fight, fight, fight, fight
Let's get ready to rumble
Fight, fight, fight, fight
Breaking your record and breaking your bones
Born a warrior with a code
A champion feeding your face with a fistYou will feel all his power
The viking warrior, Austin Logan
Will now brand his name in the back of your head, yeah
You feel the floor again, unleashing his hell
You will not even hear the bellMaybe you're strong, but you don't stand a chance
Feel the power of a warrior
Fight, fight, fight, fight
Let's get ready to rumble
Fight, fight, fight, fight
A gladiator's left hand Fight, fight, fight, fight
Feel the pain tomorrow
Behold, here comes the son
Believe it, he was born to be the chosen one
The call is for a warrior
His name will echo on the sea and on the ground
Feel the fire, he's entering the ring
His mindset only knows how to winThis Irish fighter will break you in two
You will feel all his power
The viking warrior, Austin Logan
Will now brand his name in the back of your head, yeah
You feel the floor again, unleashing his hell
You will not even hear the bell
Maybe you're strong, but you don't stand a chance
Feel the power of a warrior
Fight, fight, fight, fight
Let's get ready to rumble
Fight, fight, fight, fight
A gladiator's left hand Fight, fight, fight, fight

Feel the pain tomorrow
Behold, here comes the son
Believe it, he was born to be the chosen one
The call is for a warrior
His name will echo on the sea and on the ground
