Peer Pressure (feat. Julia Michaels)

James Bay

Seven texts, 2AM
Halfway dressed, all saying, "Call me up"
You can't sleep, you're testing meBad but sweet
And I'm just tryna keep it together, oh
And now you're sayingPut your hands on my body
Just like you think you know me
Want your heart beating on me
Don't leave me hot and lonely
I don't usually give in to peer pressure
But I'll give in to yours
When we met, innocent
Now I'm dead
Every time you're touchin' me
You're dancing around on my mind every second
I'm under control 'til you're in front of me
Maybe I'm scared, I don't care, I'm addicted
I'm in it
And you sayPut your hands on my body
Just like you think you know me
Want your heart beating on me
Don't leave me hot and lonely
I don't usually give in to peer pressure
But I'll give in to yours
So I give you my everything and you keep on teasing
With that look in your eyes 'cause you know I believe it
I don't usually give in to peer pressure
But I'll give in to yours
Ooh-ooh-ooh, ooh-ooh-ooh
Oh, I'll give in to yours
Ooh-ooh-ooh, ooh-ooh-oohWhen we met, innocent
Now I'm dead and you're sayingPut your hands on my body
Just like you think you know me
Want your heart beating on me
Don't leave me hot and lonely
I don't usually give in to peer pressure
But I'll give in to yours
So I give you my everything and you keep on teasing
With that look in your eyes 'cause you know I believe it
I don't usually give in to peer pressure
Oh, but I'll give in to yoursOoh-ooh-ooh, ooh-ooh-ooh
Mmm, yeah, I'll give in to yours
Ooh-ooh-ooh, ooh-ooh-ooh

Oh, ohYou're dancing around on my mind every second
I'm under control 'til you're in front of me
Maybe I'm scared
I don't care, I'm addicted
I'm in it
