Together We Will Conquer (Radio Mix)

Paul Van Dyk

Time will always tell
The reason why we love so well
Now I know what's mine
Stand the rest of timeTry to picture the answer
To the question of my heart
Keep in mind
When that's looking we'll findTogether we will conquer
Together we will conquer
Time will always tell
The reason why we love so well
Now I know what's mine
Stand the rest of time
Try to picture the answer
To the question of my heart
Keep in mind
When that's looking we'll findTogether we will conquer
Together we will conquer
