

# Where I'm Going

## Rancid

Destruction is my state of mind  
Armageddon, it'll come in time  
When my whole world is gonna explode  
My machine gun is gonna unload  
Like an animal I take my prey  
Where I exist I'm okay  
I take no prisoners when I'm on point  
Grab a chair let's wreck this joint! You see you don't understand where I am or where I've been  
Or where I'm going (where I'm going!)  
You don't understand where I am or where I've been,  
Or where I'm  
Have you ever seen the devil?  
Well I have and now he's in trouble  
Our liberty and freedom I abet  
Our words I will never regret  
So I ain't ever gonna follow  
Or beg or steal or borrow  
See steady as a hand I hold  
I won't do what I am told You see you don't understand where I am or where I've been,  
Or where I'm going (where I'm going!)  
You don't understand where I am or where I've been  
Or where I'm  
Let's go!  
Retaliation is my crime  
Communication, a waste of time  
Inebriation suits me fine  
Incarcerate my own mind  
When it all's just cost and concern  
Knowing me you know I'm never gonna learn  
Get in line cause it's your turn  
Play with fire and you're gonna get burnt! You see I don't understand where I am or where I've  
been  
Or where I'm going (where I'm going!)  
You don't understand where I am or where I've been  
Or where I'm One more time! You see I don't understand where I am or where I've been,  
Or where I'm going (where I'm going! no no!)  
You don't understand where I am or where I've been,  
Or where I'm going!
