Me & U

Cassie

Uh
NextselectionYou've been waiting so long
I'm here to answer your call
I know that I shouldn't have
Had you waiting at all
I've been so busy
But I've been thinking 'bout
What I wanna do with youI know them other guys
They've been talking 'bout
The way I do what I do
They heard I was good
They wanna see if it's true
They know you're the one
I wanna give it to
I can see you want me too
Now it's me and youIt's me and you, now
Uh, I've been waitin' (waitin')
Think I'm gonna make that move now
Baby tell me if you like it (tell me if you like it)It's me and you, now
Uh, I've been waitin'
Think I'm gonna make that move now
Baby tell me how you like itI was waitin' for you
To tell me you were ready
I know what to do
If only you would let me
As long as you're cool with it
I'll treat ya right
Here is where you wanna be
I know them other guys
They've been talking 'bout
The way I do what I do
They heard I was good
They wanna see if it's trueThey know you're the one
I wanna give it to
I can see you want me too
And now it's me and youIt's me and you, now (baby it's)
Uh, I've been waitin' (me and you)
Think I'm gonna make that move now (I'm thinking 'bout making that move)
Baby tell me if you like it (tell me if you like it)It's me and you, now (uh uh!)
Uh, I've been waitin' (hey!)
Think I'm gonna make that move now (gonna make a move)
Baby tell me how you like itYeah

Baby I'll love you all the way down
Get you right where you like it
I promise you'll like it (I swear!)Just relax and let me
Make that move (it's our secret babe)
We'll keep it between me and youIt's me and you, now (oh yeah yeah!)
Uh, I've been waitin'
Think I'm gonna make that move now (move now)
Baby tell me if you like it (tell me if you like it)It's me and you, now
Uh, I've been waitin' (yeah-eah, uh uh)
Think I'm gonna make that move now (gonna make a move now)
Baby tell me how you like it (uh uh)It's me and you, now (me and you)
Uh, I've been waitin' (it's just me and you)
Think I'm gonna make that move now (it's just us two)
Baby tell me if you like it (it's just me and you, now)It's me and you, now (I've been waiting)
Uh, I've been waitin' (for your love, I've been waiting)
Think I'm gonna make that move now (gonna make a move now!)
Baby tell me how you like it (uh huh)
