Raise Your Weapon

deadmau5

Ripping my heart was so easy, so easy
Launch your assault now, take it easy
Raise your weapon, raise your weapon
One word and it's overRippin' through like a missile
Rippin' through my heart
Rob me of this love

Raise your weapon, raise your weapon and it's overLove your ego, you won't feel a thing Always number one

The pen with a bent wrist crooked king
Sign away our peace for your war, one word and it's over
Dropping your bombs now
On all we've built

How does it feel now to watch it burn, burn, burn?
Raise your weapons, raise your weapons and it's overRippin' through like a missile
Rippin' through my heart, rob me of this love

Raise your weapon, raise your weapon and it's over How does it feel now to watch it burn, burn, burn?Rippin' my heart was so easy, so easy

> Launch your assault now, take it easy Raise your weapon, raise your weapon

One word and it's overRippin' through like a missile

Rippin' through my heart Rob me of this love

Raise your weapon, raise your weapon and it's over Love your ego, you won't feel a thing

Always number one

The pen with a bent wrist crooked king
Sign away our peace for your war, one word and it's over
Dropping your bombs now
On all we've built

How does it feel now to watch it burn, burn, burn?
Raise your weapons, raise your weapons and it's over
