Right Here Right Now

Ryan Griffin

[Verse 1]
We can think about tomorrow, tomorrow
Cause it ain't got a thing to do with tonight
You?can?lead my down?the hall
And I'll follow
Watching that t-shirt?fall
Off your shoulder
It's always on my mind[Bridge]
You can make an hour feel like a minute
You can make the whole world stop spinning
The world ain't the same without your lips on mine
[Chorus]
All we got is right here
All we got is right now
Come a little closer
Let's me hold you with the lights out
Talking bout' the right place
The right time
Skin on skin
While you're whispering
All I'm thinking about
Is Right here
Right now
[Verse 2]
I can do this forever, and ever
Girl I never get enough
Of what you got
Baby that moon can fall
No, It don't matter
Maybe we could just pretend
Come on in
Yeah it's worth a shot[Bridge]
You can make an hour feel like a minute
You can make the whole world stop spinning
And I don't wanna miss it[Chorus]
All we got is right here
All we got is right now
Come a little closer
Let's me hold you with the lights out
Talking bout' the right place
The right time
Skin on skin

While you're whispering
All I'm thinking about
Is Right here
Right now
Falling like stars
Baby you [?][Bridge]
All we got is right here
All we got is right now[Chorus]
All we got is right here
All we got is right now
Come a little closer
Let's me hold you with the lights out
Talking bout' the right place
The right time
Skin on skin
While you're whispering
All I'm thinking about
Is Right here
