I'm the Bomb

Electric Six

Now who elected you judge and jury
Nobody had a beautiful girl
And i suspected jerry manering
At the singals bar
(and now) I'm the man with conversations steals
And i'm the man with hundred dollar bills
And still look in my direction long time is all his going to take now
(come on now)
teh he he heAnd i know you think i'm just another sucker perpertrator
Liveing in the 213
But i don't care what u say about anythat no
It don't matter to me (yeah)
I see you driveing around in your fancy car
Your a superstar liveing in the 310
And i'm will freak you like you've never been freaked befor now
And i'm ready to go now
teh he he he
(come on)
put you on i'm the bomb
And i'm ready to go off in your street
Put you on i'm the bomb
and i'm ready to go off in your street
put you on i'm the booooomb
and i'm ready to go off
ready to go off now
haa haa haaaaaaaa
haa haa haaaaaaaahey girl
when i'm fucking you
it's like nothing else matters
and i'm going to reach down
between my legs
and ease the seat backteh he he he
put you on i'm the bomb
And i'm ready to go off in your street
put you on i'm the bomb
And i'm ready to go off in your street
Put you on i'm the booooooomb
And i'm ready to go off in your street
Put you on i'm the bomb
And i'm ready to off
Ready to go off now
haa haa haaaaaaaa

haa haa haaaaaaaaa
haa haa haaaaaaaaa
haa haa haaaaaaaaa
