War

Sean Kingston

Yo, what a gwaan?
JR, make that noise, get ready for the war
Let's goI'm at war, fightin' for the one that I love
And the one that I truly need
I'm at war, shawty, I take a bullet for you, girl
'Cause you mean the world to me, I'm at warMe love you girl, you lovin' me
So don't fight together 'cause it was meant to be
We feel like I'm in the army
'Cause to be wit you, that's what my heart wanna beIt's like I'm 'bout to die just to get wit you
Feel like you're puttin' me through World War II
Got my soldier suit and my Timberland boots
Girl, I'm down for whatever 'cause my love is true
So I tell her I'm at war with the love of my life
Sweat from my brow swimmin' down to my eyes
Everything you are is what I need in my life, my life, my lifeI'm at war, fighting for the one that I love
And the one that I truly need
I'm at war, shawty, I take a bullet for you, girl
'Cause you mean the world to meI'm at war, at war, at war, at war, at war, at war
I'm at war, at war, at war, at war, at war, I'm at warYour mother said don't talk to me
But it went through those ears, girl, as I can see
So make me know what's your fantasies
'Cause baby girl, I think that Kingston can beI'm on the front line and I'm riskin' my life
I'll make a sacrifice just to have you by my side
You're the one I love, you're the one I trust
I'll hurt someone that come between us
So I tell her, I'm at war with the love of my life
Sweat from my brow swimmin' down to my eyes
Everything you are is what I need in my life, my life, my lifeI'm at war, fightin' for the one that I love
And the one that I truly need
I'm at war, shawty, I take a bullet for you, girl
'Cause you mean the world to meI'm at war, at war, at war, at war, at war, at war
I'm at war, at war, at war, at war, at war, I'm at war
